Valois: can you recall what amount of funds Molly agreed to provide us? I thought their total budget for Regional support was around \$200k?

Nancy Parrotta mentioned the need for the PR and only provided the information that I show below. Nancy did not mention using OGWDW funds.

Perhaps Cynthia recalls which funds we used for last year's Cadmus work, contract EP-C-15-022, WA 2-94?

Oops! I just realized that we are using OGWDW's contractual funds for this WA, not the Region's. So that means we need them to provide the funding account information on the PR. Should we be asking Molly B in their UIC program how to proceed with this paperwork?

Cynthia,

FYI, we request for a PR to go to Angela Lower (contracting officer with CPOD) with a "cc" to Nancy Parrotta (COR with OGWDW). Please label it Cadmus (EP-C-15-022, WA 3-96) so that it can be allocated properly.

Thank you.

Bruce: I think we would need to pull from OC 37 from our DI STAG funds. We may only have enough money to partially fund for now.

Cynthia: can you help me recall our initial DI allocation under the current CR?

Thanks,

Douglas

Douglas,

What money should we use for the Dewey-Burdock Cadmus Work Assignment? I would like to check with TFS for a Purchase Request – our attached IGCE estimates the total at **\$76,681.98**.

Funding needed from late October (a “soon to happen start date”) through December 31, 2019 (will most likely go into FY20).
